Dear Parade Participant,

On behalf of the Founder's Day Festival Commission, we would like to invite you to participate in this year's Founder's Day "Dripping Springs, Yesterday and Tomorrow" Parade, scheduled for Friday, April 17, 2009. Our Grand Marshall this year will be one of Dripping Springs' finest citizens.

With our theme, "Dripping Springs, Yesterday and Tomorrow," what a great way to honor and celebrate YOUR Dripping Springs community. There will be an Overall Best Entry prize and awards presented for Second through Fourth place. Again, as we did last year, we will be limiting the parade to 75 entries, so get in your entry today!

Please review the enclosed Parade Entry Form and return it by mail or deliver it to the City Hall by Friday, March 20, 2009. If your entry is approved, please plan to attend or send a representative to the mandatory meeting scheduled for April 9, 2009. Failure to attend the meeting may result in your entry being unable to participate in the parade since this is the ONLY meeting before the parade.

Send in your application and decorate your float honoring Dripping Springs of yesterday and Dripping Springs of tomorrow--your vision of why you think Dripping Springs is the best place to live in Texas!

Please contact Brenda Medcalf at 894-3730 if you have any questions or need more information. Thank you for all your support and we hope you will be a part of this year's Founders Day Festival Parade to honor your community with a rich past and bright future.

Sincerely,

*Brenda Medcalf and Mara Cardwell*

## Parade Guidelines for Participants

*Thank you for choosing to participate in the Founders Day Festival Grande Parade.*

1. Use of Alcoholic beverages is strictly prohibited.
2. Non—parade vehicles are not allowed in the staging area. The staging area consists of Walnut Springs Elementary School Campus parking areas and roadways. Participants may be dropped off at the driveway entrances to the Elementary School campus, on Sportsplex Drive, and walk to their designated staging area.
3. Parade vehicles must enter the staging area using the main entrance to Walnut Springs, off Sportsplex Drive. Please observe the parade volunteer's instructions and directions.
4. Only those vehicles with an Official Entry Card will be allowed to enter the staging area. Those not holding an official entry card will not be able to participate.
5. **Official Entry Cards will be provided at a mandatory parade pre-meeting held on 4/9/2009 at 6:30pm at City Hall.** Every approved parade participant must send an adult representative to the pre-parade meeting. Those entries that have been approved, but do not attend the pre-parade meeting will not be allowed to participate. There will be no refunds for parade entries that have been approved and do not attend the pre-parade meeting.
6. Driving or parking vehicles on any grassy areas of the campus is absolutely prohibited.
7. Staging will begin at 4:30pm and vehicles will be allowed to enter until 6:00pm.
8. Each entry will receive their staging instructions at the meeting on 4/09/2009. It is the responsibility of the person attending the meeting to coordinate with the other members of their entry on where to meet for staging. Please observe the parade volunteer's instructions and directions as you enter the staging area.
9. Judging will begin at 5:30pm.
10. At the pre-parade meeting you will be given a "Parade Participant Card" that must be completed and returned as you enter the staging area the night of the parade. Completion of this card is required so that the Master of Ceremony may properly introduce your group.
11. If your entry includes animals, you are expected to have a waste detail walking immediately behind our group with the appropriate shovels and buckets. If you do not have the appropriate clean-up detail, entry in the parade will be denied.
12. If your entry includes animals, you are expected to maintain control of your animal at all times.
13. Riders not exhibiting control will be removed from the parade for their own and spectator safety.
14. If your group will be throwing candy, you must have an adult walker on each side and behind the float or vehicle to ensure spectators or children do not reach near or under the vehicles. Candy must be thrown underhand and at the feet of the spectators. Any group throwing overhand or directly at a spectator will be asked to stop and will not be invited to participate in subsequent parades.
15. If your group would like to throw any items other than candy, it must be approved by a parade official at the pre-parade meeting.
16. Follow the parade route and follow the instructions and directions of the Deputy Sheriff and Parade Officials. Do not ask to leave the parade route early.
17. If emergency vehicles need to leave the parade suddenly to answer an emergency, please get out of the way to facilitate their departure.
18. Participants are not allowed to get on or off your float or vehicle while it is in motion or anywhere on the parade route.
19. Do not allow participants to start dismantling your float until the float has returned to the staging area and is safely parked.
